

Dear Rising Kindergarten Parents,

Enclosed you will find a workbook for your child to complete during the summer. The purpose of sending home these activities is to prevent learning loss during the summer months. These activities will review and reinforce skills he/she has learned in the classroom this year. Your child will also be required to complete additional reading activities listed below. Please return completed workbooks and additional reading activities to your teacher on the first day of school. Have a wonderful summer!

## Rising Kindergarten Additional Required Summer Reading Activities:

**Activity #1- Choose a book you have at home or one from the library.** After reading this book, complete the attached "beginning, middle, end" activity page.

**Activity #2- Choose a second book.** After reading this book, complete the attached "My Favorite Character" activity page.

**Activity #3- Reading Log-** While only two books require specific activities, students should be read to all summer. Please fill out the attached reading log as you read this summer. These books can be on the attached reading list or other books you have at home. Don't forget to visit the library to find other great books too!
